

Envision

Content Creation

Guidelines:

- Students from Grades 6-8, Under 17, and Open age categories may participate,
- Each age category will be judged separately.
- Team participation is allowed.
- Teams can have up to 3 members.
- Videos must include voiceover narration or dialogues.
- Use of captions is completely optional.
- Each video must clearly include:
 1. Participant name
 2. Grade
 3. Video title
 4. Chosen topic
- Participants must submit their final work along with behind-the-scenes clips showcasing their editing process by the deadline: 16th January 2026 for Girls, and 2nd February 2026 for Boys.
- The Final submission must include:
 1. The final version of your video.
 2. A behind-the-scenes video, along with your submission, showcasing the editing process and production stages clearly
- Any form of CGI or VFX is not permitted along with AI-visual enhancements and AI-generated visuals in order to ensure originality.

Topics:

Choose one of the following

- He Heard Me Anyway - mercy, even when we fail.
- The Ripple I Created - small moves, big impact.
- Parallel Realities - exploring the fine line between what is and what could be.

Judging Criteria (Rubric)

Creative Excellence:

- Assesses the originality and creativity in presenting the story through your content, including unique conceptual ideas, visual elements, and overall creative approach.

Content Accuracy:

- Evaluates the accuracy and authenticity of the content to ensure it is factually correct, clear, respectful, and appropriate tone, imagery and presentation.

Visual Presentation Quality:

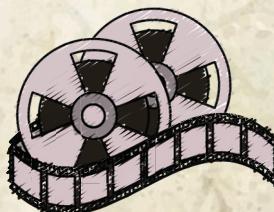

- Measures the clarity, consistency, and overall quality of visuals, as well as their effectiveness in supporting and enhancing the main message. Additional colour grading and effects will enhance the visuals so if used properly, will add a few points but it is not mandatory

Relevance to the theme:

- Assesses how effectively the content aligns with the assigned theme or topic, maintaining clarity and focus throughout the presentation.

Presentation Flow:

- Reviews the organization, flow, and pacing of the content, ensuring it remains engaging and cohesive. The video should be 3 to 4 minutes long

Note:

Verification Criteria:

- Entries will be checked using AI detection tools to identify AI-generated visuals, CGI and extreme VFX will also be checked and such content will be disqualified. Excessive or misleading digital enhancement that comprises originality or authenticity will result in point deductions or disqualification.

	Submission Date	E-mail Address
Girls	January 16th 2026	scilolympiad.info@gmail.com
Boys	February 2nd 2026	scil.event.info@gmail.com
