Guidelines:

- Students from <u>Under 17 and Open</u> age category may participate.
- Team participation is allowed.
- Teams can have up to 3 members.
- Videos can include voiceovers narration or captions
- Each video <u>must clearly</u> include:
  1. Participant name
  2. Class
  3. Video title
  4. Chosen topic
- Participants must submit their final work along with behind-the-scenes clips showcasing their editing process by the deadline; <u>16th January 2026</u> for Girls, and <u>2nd February 2026</u> for Boys.
- The Final submission must include:
  1. The final version of your video.
  2. A behind-the-scenes video, along with your submission, showcasing the editing process and production stages clearly.
- Any form of CGI or professional editing is <u>not</u> permitted in order to ensure originality.

Topics:

Choose one of the following

- <u>He Heard Me Anyway</u> - mercy, even when we fail.
- <u>The Ripple I Created</u> - small moves, big impact.
- <u>Parallel Realities</u> - exploring the fine line between what is and what could be.

Judging Criteria (Rubric)

Creative Excellence:

- Assesses the originality and creativity in presenting the content, including unique conceptual ideas, visual elements, and overall artistic approach.

Content Accuracy:

- Evaluates the accuracy and authenticity of the content to ensure it is factually correct, clear, respectful, and appropriate tone, imagery and presentation.
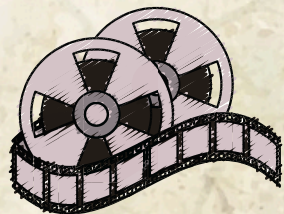

Visual Presentation Quality:

- Measures the clarity, consistency, and overall quality of visuals, as well as their effectiveness in supporting and enhancing the main message.

Relevance to the theme:

- Assesses how effectively the content aligns with the assigned theme or topic, maintaining clarity and focus throughout the presentation.

Presentation Flow:

- Reviews the organization, flow, and pacing of the presentation, ensuring it remains engaging and cohesive.

Note:

Verification Criteria:

- Entries will be screened using AI detection tools to identify CGI, AI-generated visiuals, or advanced editing software. Excessive or misleading digital enhancement that comprises originality or authenticity will result in point deductions or disqualification.

	Submission Date	E-mail Address
Girls	January 16th 2026	scilolympiad.info@gmail.com
Boys	February 2nd 2026	scil.event.info@gmail.com
